

SSN COLLEGE OF ENGINEERING, KALAVAKKAM
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
UCS1712 – GRAPHICS AND MULTIMEDIA LAB

Lab Test – Thursday Batch

Date: 13-10-21

1. Using Bresenham's Line drawing and Circle drawing algorithms draw a 2D car.
2. Draw a pendulum and apply 2-D transformations to move the pendulum.
3. Draw a scene depicting sunrise and apply appropriate 2D composite transformations to show the positions of the sun every three hours with its reflection.
